

Medex Choice: Blue Cross' New Low Cost, More Comprehensive Medicare Supplement Rewards members when they use select high value Accountable Care Organizations

BOSTON - November 3, 2014 - [Blue Cross Blue Shield of Massachusetts](#) HMO Blue[®], a wholly owned subsidiary of Blue Cross and Blue Shield of Massachusetts, has launched Medex Choice, the first individual Medicare supplement plan in Massachusetts that offers members enhanced benefits when they choose a Primary Care Provider (PCP) from a designated group of high quality [Accountable Care Organizations](#) (ACOs) that are part of the HMO Blue[®] provider network to coordinate their care.

"Many people who enroll in original Medicare are surprised to learn that it doesn't provide the comprehensive coverage they expect.
