

Blue Cross Blue Shield of Massachusetts' Annual 5K Race Raises \$9,000 for the United Way's Thanksgiving Project

November 15, 2013 — Nearly 400 runners, walkers, and spectators participated in [Blue Cross Blue Shield of Massachusetts'](#) (BCBSMA) annual 5K walk+run - raising \$9,000 for the United Way's Thanksgiving Project. The money raised will aid the United Way with its goal to provide a Thanksgiving meal for 5,000 families in need, and help the non-profit organization distribute more than 100,000 pounds of food to 13 regions throughout Massachusetts.

"Our annual 5K race in Hingham is a testament to our more than 75 year legacy of community commitment and improving the lives of children and families in need in Massachusetts," said Andrew Dreyfus, President and CEO of [Blue Cross Blue Shield of Massachusetts](#) and Board Chair of the United Way. "It is also an event that our associates rally around and look forward to because it benefits an important community partner — the United Way. We are grateful that thousands of families in Massachusetts will have a Thanksgiving meal this year because of the funds that were raised."

"As one of the region's largest nonprofits, the United Way's mission is to bring communities together to help improve people's lives and strengthen the neighborhoods in Massachusetts," said Caeli Rubens from the United Way. "We are so pleased to have the support of Blue Cross — especially during the holidays. The annual 5K race goes a long way in helping us achieve our mission and feed families in need year after year."
