BOSTON, Oct. 22, 2019 /PRNewswire/ -- This year, [Blue Cross Blue Shield of Massachusetts](#) (Blue Cross) is offering a broad suite of highly rated Medicare options to fit every budget, including a \$0 HMO Medicare Advantage plan, a \$0 PPO Medicare Advantage plan and several other plans with a premium under \$100 per month.

"We are proud of the fact that more Medicare beneficiaries choose our plans than any other health plan in Massachusettsⁱⁱ," said Ken Arruda, vice president of Medicare markets for Blue Cross. "This year, we are excited to offer several affordable Medicare options for beneficiaries to choose from."

Individuals with Medicare can choose the best Medicare Advantage and prescription drug plan for their health care needs during the Oct. 15-Dec. 7, 2019, annual enrollment period, and enrollment is effective Jan. 1, 2020. A Blue Cross Medex or dental plan can be selected at any time of the year.

On the Medicare Advantage side, our \$0 Medicare HMO Blue SaverRx (HMO) and \$0 Medicare PPO Blue SaverRx (PPO) plans provide additional benefits that Medicare doesn't generally cover, and they also include Part D prescription drug coverage. Our Medicare Advantage plans may also include routine dental, hearing and vision coverage, as well as a fitness and weight loss reimbursement benefit up to \$400 per calendar year. Our PPO plan provides seniors access to both in-network and out-of-network providers with no referral requirements, and both plans are good options for those who prefer coordinated care through their primary care physician.

For the fourth year in a row, our Blue MedicareRx Prescription Drug Plan (PDP) received 5 out of 5 starsⁱ from the Centers for Medicare & Medicaid Services (CMS) for 2020, once again making us the only PDP individual plan with a five-star rating in New England.ⁱ Our Medicare Advantage PPO and HMO plans are also high-rated plans at 4.5 and 4 stars out of 5, respectively, for 2020.ⁱ
