

BLUE CROSS BLUE SHIELD OF MASSACHUSETTS RECOGNIZED AS ONE OF THE 50 MOST COMMUNITY-MINDED COMPANIES IN THE UNITED STATES

BOSTON, June 4, 2025 /PRNewswire/ -- For the sixth consecutive year, [Points of Light](#), named [Blue Cross Blue Shield of Massachusetts](#) (Blue Cross) an honoree of The [Civic 50](#), a list of the 50 most community-focused companies in the U.S. Additionally, Blue Cross earned the title of "Health Care Sector Leader," a recognition for ranking first in its segment, for the second year in a row.

Why it matters: Blue Cross' commitment to the community is demonstrated by its investment of \$12.3 million in financial, volunteer, and in-kind support to not-for-profits in 2024.

- Eighty-five percent of Blue Cross employees participated in company volunteer programs, contributing over 21,700 hours of service to support the health of Massachusetts communities.

The big picture: The Civic 50 list evaluates companies based on the scale, sophistication, and impact of their community engagement and corporate philanthropy.

- The Civic 50 survey, administered by True Impact and analyzed by VeraWorks, uses quantitative and multiple-choice questions to inform the scoring process. It is the only survey and ranking system that exclusively measures corporate community engagement.
